55% from Top 25

Northwestern Medicine®

Mariam Ardehali

Medical School:

- Duke

Undergraduate:

- Northwestern

Interviewed By:

- Dr. James Paparello and Dr. Beth Anne Scharle

Interesting facts:

- Global health interest: led study on food insecurity and access to HIV care in Kenya.
- Passionate about the arts: design editor of Duke Med VOICES literary journal
- Health equity advocate: Executive board member of Duke Med students for Social Justice, mentors for Health Professions Recruitment program, volunteers at Duke Benefits Enrollment Center

Hometown: Chicago, IL

Fatemeh Behnia

Medical School:

- UT Southwestern

Undergraduate:

- UT Dallas

Interviewed By:

- Dr. Anthony Pensa and Dr. Alana Lewis

Interesting facts:

- Volunteer work with refugee communities
- QI interest: project on barriers to cardiac rehabilitation utilization at Parkland Hospital, using data from this project to support creation of a virtual cardiac rehab program
- Personal statement about her immigration story from Iran, her parents' sacrifices, and her passion for serving disadvantaged communities

Hometowns:
Shiraz, Islamic Republic of Iran
Dallas, TX

Ikeoluwapo Bolakale-Rufai

Medical School:

- University of Ibadan College of Medicine

Undergraduate:

- University of Ibadan

Interviewed By:

- Dr. Christopher Moore and Dr. Sarah Chuzi

Interesting facts:

- MS at University of Arizona
- Postdoctoral fellow at Indiana University studying racial and gender disparities in cardiovascular diseases
- Goal: to be a physician scientist with a focus on women's cardiovascular health
- Unwavering determination: "I moved to the US with nothing but my dream, a suitcase, and \$800"

Hometown: Ibadan, Nigeria

Hector Cajigas

Medical School:

- University of Illinois- Chicago

Undergraduate:

- Northwestern

Interviewed By:

- Dr. Sean Oconnor and Dr. Nancy Sassower

Interesting facts:

- Served as class Co-Vice President throughout med school
- Founded nonprofit Mi Salud, which aims to connect Spanish-speaking patients with Spanish-speaking providers in Chicago
- Research with Dr. Sznajder's lab during undergrad
- Professional, competitive video-gamer

Hometown: Chicago, IL

Alexie Carletti

Medical School:

- Oregon Health and Science University

Undergraduate:

- University of Washington

Interviewed By:

- Dr. Sarah Chuzi and Dr. Christopher Moore

Interesting facts:

- MD/MPH: research on institutionalized fatphobia, social inequities, and weight bias
- 2 year research training award at NIH in Laboratory of Parasitic Diseases
- Member of Health and Public Policy Committee of ACP

Hometowns:
Seattle, Washington
Portland, Oregon

Victoria Cates

Medical School:

- University of Colorado

Undergraduate:

- University of Colorado - Boulder

Interviewed By:

- Dr. Debi Mitra and Dr. Adam Lin

Interesting facts:

- Community Outreach, Street Medicine, and Harm Reduction Educator: provides Narcan training, facilitates syringe exchanges, enrolls uninsured patients in Medicaid
- Founder of Rural Colorado Pre-Health Society, providing rural high school and college students with healthcare field mentorship
- Interventional cardiology research
- Plays 8 instruments (6 self-taught)

Hometown: Denver, CO

Keerthana Chakka

Medical School:

- UT Southwestern

Undergraduate:

- UT Austin

Interviewed By:

- Dr. Katee Trinh and Dr. Ronak Patel

Interesting facts:

- Longitudinal volunteering at non-profit in South Dallas that addresses food insecurity through sustainable farming
- Executive Director of Patient Navigator Program
- Developed virtual reality system to evaluate muscle strength remotely (3 posters, 3 manuscripts)
- Summer externship at Shirley Ryan in 2021!

Hometown: Houston, TX

Amar Desai - Med/Derm

Medical School:

- Rutgers

Undergraduate:

- The College of New Jersey

Interviewed By:

- Dr. Max Kelsten and Eytan Szmuilowicz

Interesting facts:

- Director of Student Family Health Care Center
- Intern at Avesta76 therapeutics: start-up cancer therapeutic company targeting RLIP76 protein in cancer therapeutics
- Developed/co-founded a medical entrepreneurship curriculum, partnered with a start-up incubator

Hometown: West Windsor, NJ

Natasha Edman - PSTP

Medical School:

- University of Washington

Undergraduate:

- UC Santa Barbara

Interviewed By:

- Dr. Katherine McGee and Dr. Anup Das

Interesting facts:

- Research in vascular biology- growth factor receptor signaling and endothelial cell differentiation
- Founding member of the UW MSTP Antiracism Working Group to increase representation in MD-PhD programs
- Former AmeriCorps member at FQHC in Seattle
- Cards

Hometowns:
Seattle, Washington
Mill Valley, California

Sean Halloran

Medical School:

- Dartmouth

Undergraduate:

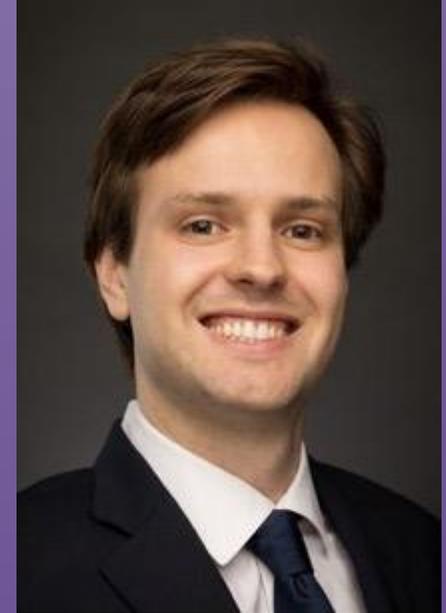

- Sewanee

Interviewed By:

- Dr. Jeff Barsuk and Dr. Debi Mitra

Interesting facts:

- MD/MBA
- Research with healthcare delivery incubator looking at 1) lung cancer screening in rural populations and 2) improving outcomes among individuals exiting the prison system
- Long term involvement group that pairs volunteers with recently incarcerated individuals to facilitate their transition
- Alto saxophonist and club hockey captain

Hometowns:
Jacksonville, FL
Nashville, TN

Keertana Jain

Medical School:

- Northwestern

Undergraduate:

- Northwestern

Interviewed By:

- Dr. Rachel O'Mara and Dr. Yusra Cheema

Interesting facts:

- Jonathan Philip Reder Award: given to an MS3 who has shown continued interest and accomplishment in areas outside of medicine
- Research on Title IX experiences of pregnant and parenting youth in Chicago, which led CPS to implement district-wide policy changes
- Awarded National Kidney Foundation of Illinois research award to study association between FGF23 and early cardiac mechanics

Hometown: St. Louis, MO

Anthony Kalousdian

Medical School:

- American University of Beirut

Undergraduate:

- American University of Beirut

Interviewed By:

- Dr. HG Munshi and Dr. Wendy Brown

Interesting facts:

- Postdoctoral fellow in Dr. Vaughan's lab studying PAI-1 and cardiovascular aging
- Co-founder of Artificial Intelligence and EKG startup
- Club soccer player and team captain
- Speaks 6 languages!!!!
- "He is one of the most kind, engaging, and selfless individuals I have ever met." – Lisa Wilsbacher

Hometown: Beirut, Lebanon

Anthony Kang

Medical School:

- Northwestern

Undergraduate:

- University of Michigan

Interviewed By:

- Dr. Saad Saffo and Dr. Tim Caprio

Interesting facts:

- Instructor at Cook County Dept of Corrections: designed and taught “Death, Dying, and Spirituality” course for incarcerated individuals
- President of Medical Education Interest Group
- GI research with Dr. Aadam on myotomy in achalasia
- Couples matching with Cherie Lo

Hometowns:
Novi, MI
Tuscaloosa, AL

Prasanth Kotha

Medical School:

- University of Pennsylvania

Undergraduate:

- University of Michigan

Interviewed By:

- Dr. Keith Summa and Dr. Debi Mitra

Interesting facts:

- Former CEO and now Board Director of Blueprints for Pangaea: nonprofit that reallocates unused, excess medical supplies from US to underserved communities in US and abroad
- Former Penn Biotech Fellow, learned how to pitch novel technology to investors
- Active in medical education: near peer mentor and small group facilitator

Hometown: Grosse Pointe Shores, MI

Sam Krabbenhoft - PSTP

Medical School:

- University of Wisconsin

Undergraduate:

- University of Wisconsin

Interviewed By:

- Dr. Keith Summa and Dr. Gayatri Patel

Interesting facts:

- Research on chromatin biology. Studying EZHIP-mediated chromatin modifications using *Drosophila*.
- Sig other is surgery resident at Northwestern.
- Blues enthusiast: “Nina Simone, Howlin’ Wolf, and Lightnin Hopkins stared down injustice, bore their souls, and created beauty that resonates with equal strength today as it did when their songs were first composed.”
- GI/hep

Hometown: Madison, WI

Daniel Leary

Medical School:

- Rush

Undergraduate:

- Boston University

Interviewed By:

- Dr. Asantewaa Ture and Dr. David Kamp

Interesting facts:

- Research looking at patient derived organoids, circadian rhythms, and chemotherapy treatment efficacy
- President of Rush Community Service Initiatives Program and Rush Honor Code Council Chair
- 3 years of research at MIT's Broad Institute in drug discovery research
- Classical and Jazz trained stand up bass player of 19 years

Hometown: Greenlawn, NY

Mary Clare Lipa

Medical School:

- Loyola University

Undergraduate:

- University of Notre Dame

Interviewed By:

- Dr. Cybele Ghossein and Dr. Alexandra Zubenko

Interesting facts:

- President of Stritch AMWA chapter
- Award for outstanding performance in 3rd year medicine clerkship
- Research on maternal factors associated with delivery of preterm infants
- Multiple medical education roles – future educator!?

Hometown: Naperville, IL

Yupeng Liu

Medical School:

- Washington University in St. Louis

Undergraduate:

- Vanderbilt

Interviewed By:

- Dr. Pat Tosetti and Dr. Previn Ganesan

Interesting facts:

- Founder/co-president of Financial Navigation of Healthcare group
- Volunteer translator for Chinese-speaking immigrant patients
- Distinction in Research award in med school
- Weightlifting as hobby, delivered lectures at YMCA on benefits of weightlifting for insulin sensitivity and DM control

Hometowns:
Little Rock, AR
Athens, GA

Cherie Lo

Medical School:

- Northwestern

Undergraduate:

- Harvard

Interviewed By:

- Dr. Dan Evans and Dr. Richard Wunderink

Interesting facts:

- Executive producer of Alert and Oriented podcast
- President of the Chicago Youth Program clinic
- Research on how ED care was affected by changes in healthcare options in Chicago
- Founder of boba tea shop in high school
- Couples match with Anthony Kang

Hometown: Shaker Heights, OH

Caleb Middlebrook

Medical School:

- Drexel

Undergraduate:

- Case Western

Interviewed By:

- Dr. Natalie Cameron and Dr. Chiagozie Pickens

Interesting facts:

- Interested in health disparities in cancer care.
- Works on STEP together study which tests social incentive-based and financial incentives to improve physical activity in the community.
- Spent a month at Northwestern rotating with palliative care
- Cellist!

Hometown: Cincinnati, OH

Benjamin Moy

Medical School:

- University of Michigan

Undergraduate:

- University of Michigan

Interviewed By:

- Dr. Cheryl Lee and Dr. Anthony Pensa

Interesting facts:

- Ops director of Wolverine Street Medicine group and Director of Umich student-run free clinic
- Established Path to White Coat, a student-led organization that provides mentoring to pre-meds who identify as first gen or low-income
- GI research – interventional endoscopy outcomes
- Plays pipe organ and piano

Hometown: West Bloomfield, MI

Cedrick Mutebi

Medical School:

- Wayne State

Undergraduate:

- Wayne State

Interviewed By:

- Dr. Quentin Youmans and Dr. Katee Trinh

Interesting facts:

- Co-founder of Healing Between the Lines, a curriculum for med students and residents on the intersection of structural racism and health
- Inaugural Changemaker Fellow at Henry Ford Health: developed RYSE MED pipeline program
- QI interest: Innovations Manager of the Wayne State chapter of the Institute for Healthcare Improvement

Hometowns:
Los Angeles, CA
Washington, DC

Zachary Neronha

Medical School:

- Washington University in St. Louis

Undergraduate:

- Brown University

Interviewed By:

- Dr. James Paparello and Dr. David Kamp

Interesting facts:

- Kidney STARS award from American Society of Nephrology: study on utility of cardiac biomarkers for volume assessment and prognostication in ESRD
- Volunteers at dialysis center to learn about SDoH
- Med ed research: project on how students adapt to virtual learning during the pandemic. Also pursuing interprofessional education teaching certification.

Hometown: Jamestown, RI

Ameer Odeh

Medical School:

- Loyola University Stritch

Undergraduate:

- Loyola University

Interviewed By:

- Dr. Graham Peigh and Dr. Ryan Buck

Interesting facts:

- Cardiology interest: role of collagen remodeling, inflammation, and fatty acids in Afib
- Potential global health interest inspired by his experiences growing up in Jordan
- Deep community involvement: volunteers at Orland Park Prayer Center
- Learning to play the Egyptian Darbuka, a percussion instrument

Hometown: Orland Park, IL

Chiagoziem Ogbonna

Medical School:

- Wake Forest

Undergraduate:

- Wake Forest

Interviewed By:

- Dr. Chiagozie Pickens and Dr. Darren Brenner

Interesting facts:

- GI research: manometry and esophageal dysmotility
- SNMA community service chair and multiple community roles
- Longitudinal role as student clinician at Migrant and Refugee Clinic
- Long-time competitive soccer player

Hometowns:
Lagos, Nigeria
Columbia, SC

Seong Park

Medical School:

- Northwestern

Undergraduate:

- Northwestern

Interviewed By:

- Dr. Dustin Carlson and Dr. Peter Glynn

Interesting facts:

- Research on longitudinal trajectories of cardiovascular health and steatotic liver disease with Lisa VanWagner, and neighborhood characteristics and CV health
- Interest in preventive medicine
- Violinist with NMO

Hometowns:

Seoul, The Republic of Korea

Sycamore, IL

Leena Penumalee

Medical School:

- University of Chicago

Undergraduate:

- Virginia Commonwealth University

Interviewed By:

- Dr. Brigid Dolan and Dr. Ami Desai

Interesting facts:

- Graduate research fellow at the Chicago Gun Violence Research Collaborative: extensive community work looking at gun violence and prevention in the Roseland community
- Received NIH National Institute of Aging grant to study clinical prediction tools in the hospital
- Student leader of Women in Medicine (WiM) nonprofit (with Shikha Jain)

Hometown: Troy, MI

Nepheli Raptis

Medical School:

- Loyola University

Undergraduate:

- Northwestern

Interviewed By:

- Dr. Anthony Pensa and Dr. Christopher Moore

Interesting facts:

- Oncology interest. Research on role of structural violence on prognosis of patients in Cook County with AML
- Master of Arts in Medical Sciences from Loyola
- Rotated at NMH in pulmonary (glowing reviews from Dr. Jason Arnold!)
- Long term pianist.

Hometowns:
Pittsburgh, PA
Silver Springs, MD

Malavika Satheesh

Medical School:

- University of Rochester

Undergraduate:

- University of Rochester

Interviewed By:

- Dr. Anju Peters and Dr. Andrew Tout

Interesting facts:

- Global health pathway: project implementing novel lung teleultrasound protocol in rural Peri
- Leadership team of Street Outreach organization
- Cardiology research looking at novel Barostim device
- Over 20 years experience and as Associate Degree in Bharatanatyam

Hometowns:
Alleppey, India
San Jose, CA

Samuel Schellenberg

Medical School:

- Northwestern

Undergraduate:

- Calvin University

Interviewed By:

- Dr. Jordi Friedman and Dr. Pat Tosetti

Interesting facts:

- Co-VP of All Ears, group that visits terminally ill patients on oncology floors in Prentice
- AOSC with Dr. Josh Hauser and Director of Bioethics at Google Health looking at COVID-19 “vaccine deserts”
- Ongoing projects related to the role of lung transplant in lung cancer
- Co-founder of The Jugulars juggling group

Hometown: Grand Rapids, MI

Mina Shirazi- PSTP

Medical School:

- Charite-Universitätsmedizin Berlin

Undergraduate:

- Charite-Universitätsmedizin Berlin

Interviewed By:

- Dr. Keith Summa and Dr. Gayatri Patel

Interesting facts:

- Post-doc at Northwestern working with Dr. Jan Wysocki and Dr. Daniel Battle
- Research on ACE2 truncates in kidney disease and diabetic kidney disease
- Medical translator for “Medicine Helps Refugees” (Persian)
- Nephro

Hometown: Berlin, Germany

Roger Smith- PSTP

Medical School:

- Northwestern

Undergraduate:

- University of Notre Dame

Interviewed By:

- Dr. Max Kelsten and Dr. Rachel Amdur

Interesting facts:

- PhD under Marc Mendillo studying stress responses in cancer gene expression and tumor proliferation
- Co-founder of GetMePPE Chicago
- Studies medical Spanish, global health experience in Mexico City
- Pulm/Crit Care

Hometown: Homer Glen, IL

John (Jack) Sollee

Medical School:

- Brown

Undergraduate:

- Haverford College

Interviewed By:

- Dr. Tyler Edwards and Dr. Saad Saffo

Interesting facts:

- Research on AI tools to characterize lung pathologies (3 pubs, 2 posters, 2 oral presentations) with invited keynote at the Medical School Academic Symposium
- Co-inventor of AI LOGIK – uses AI to detect kidney lesions and predict lesion type on medical imaging
- Co-founder of the Alpert Med School Helps Vulnerable Elders group

Hometowns:
Philly, PA
Washington, DC

Jacob Stout

Medical School:

- Duke

Undergraduate:

- Calvin University

Interviewed By:

- Dr. Maria Theodorou and Dr. Christine Schaeffer

Interesting facts:

- ID/HIV interest: project on awareness and interest in long-acting injectable anti-retroviral therapy

- Collegiate pole vaulter! (Also played intramural volleyball – newest member of the Beta Blockers!)

Hometown: San Diego, CA

Kayla Thompson

Medical School:

- Duke

Undergraduate:

- Duke

Interviewed By:

- Dr. Adeboye Ogunseitan and Dr. Natalie Cameron

Interesting facts:

- MD/MBA
- Founding member of FGLIMed (First Gen and Low Income in Medicine Association), inspired by her upbringing
- Research on financial toxicity among older adults with dementia
- Former intern with McKinsey, interested in healthcare value

Hometown: Waxhaw, NC

Samer Yassin

Medical School:

- Medical College of Georgia

Undergraduate:

- Georgia State University

Interviewed By:

- Dr. Josh Cheema and Dr. Katee Trinh

Interesting facts:

- Co-founder/President of Future Health Occupations Outreach Program for local grade school students aspiring to healthcare careers
- PAD basic science research: VEGF signaling pathways
- Moving personal statement about growing up as the first child of an immigrant family and his parents' sacrifices
- Avid IM basketball player

Hometowns:
Toronto, Canada
Atlanta, GA

Nathan Yee

Medical School:

- University of Massachusetts

Undergraduate:

- Washington University in St. Louis

Interviewed By:

- Dr. Max Kelsten and Dr. Dave Neely

Interesting facts:

- Interested in high value care: participant in STARS leadership conference to advance healthcare value
- Co-President of Simulation Interest Group
- Vice President of APAMSA Asian Pacific American Medical Student Association
- Avid guitarist: David Gilmour, Jimi Hendrix, Andres Segovia, BB King, Joe Pass

Hometowns:
Philadelphia PA
Boston, MA

Jesus Zamora-Pineda- PSTP

Medical School:

- Loyola

Undergraduate:

- UC Berkeley

Interviewed By:

- Dr. Adam Stein and Dr. Harris Perlman

Interesting facts:

- Research on host-pathogen interactions, immune regulation, microbiota and antibody generation
- Leadership roles in LMSA and Spanish Medical Program
- “My bicultural upbringing...grants me a unique connection to patients, transcending mere verbal communication...fueling my commitment to advocate for those whose voices are often unheard”
- Rheum

Hometowns:

Guadalajara, Mexico
South Lake Tahoe, CA

Veronica Zheng

Medical School:

- Northwestern

Undergraduate:

- Rice University

Interviewed By:

- Dr. Debi Mitra and Dr. Ashti Doobay-Persaud

Interesting facts:

- Co-founder of Transplant Action Team – facilitates medical student shadowing organ procurements
- Albert Schweitzer Fellow: work with transitional housing center for individuals with homelessness or substance use disorders
- Researcher with National Surgical Quality Improvement Program looking at disparities in endometrial cancer surgeries

Hometown: Plano, TX

Chibuzo (Chi) Aguwa – Prelim (Derm)

Medical School:

- Meharry Medical College

Undergraduate:

- University of Pennsylvania

Interesting facts:

- MPH from Dartmouth
- Research on mental health and hair loss in patients of color in urban settings, and pediatric hidradenitis suppurativa
- SNMA National Board of Directors
- Leadership role in TalkNaija Organization: platform to reduce stigma associated with mental health conditions in African communities

Hometown: Brookfield, WI

Faculty who matched 3 or more:

- Katee Trinh

Faculty who matched 2 or more:

- Cheryl Lee
- Chiagozie Pickens
- David Kamp
- Keith Summa
- Max Kelsten
- Natalie Cameron
- Pat Tosetti
- Saad Saffo
- Sarah Chuzi

Introducing.....

New Core Faculty!

Asantewaa Ture

Medical School:

- Rush

Undergraduate:

- University of Pennsylvania

Interviewed by:

- Dr Natasha Nichols & Dr Mobola Campbell- Yesufu

Interesting Fact:

- Project at NU looking at mortality in cirrhotics
- EMR project, "Are EMRs Really Epic?"
- Powerful project looking at race portrayal in UWorld's question bank.

St Louis, MO

Tim Rowe

- **Medical School:**

Loyola

- **Undergraduate:**

University of Illinois

- **Residency and Fellowship:**

University of Wisconsin

Northwestern

- **Interesting fact:**

Barista all through high school and college, and if you ask his wife he's still a barista.

Expecting a boy, in July!

Ambidextrous in performing central and arterial lines

Born in Arlington Heights, IL

Quentin Youmans

- **Medical School:**
Northwestern
- **Undergraduate:**
Brown University
- **Interviewed By:**
Dr. O'Leary & Dr. Yusra Cheema
- **Interesting fact:**
Summer of 2012 conducted research in Uganda on health needs, clean water practices and health literacy. Enjoys performing as a tenor, music composition and tennis.

Born in Columbia, SC

Thank You and let's Celebrate!
